

protect yourself FROM FRAUD

During the holiday season, fraudsters take advantage of our busy schedules and holiday spending, and this can make you more susceptible to scams. It's important to take precautions to keep your personal and financial information safe.

These scams can come through text messages, emails or phone calls. The fraudsters can be sophisticated and even "spoof" (or copy) the financial institution's phone number and claim to be contacting you from Landings.

Typically, fraudsters tell members they are calling to discuss suspicious transactions but need to verify the member's identity, card or account information in order to proceed.

LANDINGS WILL NEVER ASK YOU TO VERIFY YOUR FULL SOCIAL SECURITY, ACCOUNT OR FULL 16-DIGIT CARD NUMBER, YOUR PIN, ONLINE BANKING LOGIN OR PASSWORD, OR YOUR CVV (3 DIGIT SECURITY CODE ON YOUR DEBIT/CREDIT CARD).

We encourage you to contact us if you ever receive this type of attempt to gain access to your Landings account or card information.

Please call or send a secure message through home banking and we'll be more than happy to assist you.

Thank you!
